- developed a project on the cloud computing named "Encrytion in cloud computing" using the latest technology which is more efficient than existing one

Contact: Organizer - contact@lasyainfotech.com

## SKILLS

Python Problem Solving

Structured Query Language

Datastructures and algorithms

Acquainted with MS Office

Documentation

## ACHIEVEMENTS

completed courses in corsera (04/2020 - 06/2020)

Basics of machine learning

Rated 5 stars in the hackerrank platform

username-@ krishnashreegan1

participated in the coding contests like codechef,codeforces

username-krishna00

## WORKSHOPS

### "NETWORK SECURITY "

This workshop was cinducted in the NIT warangal .By this workshop we they expalined about the new cryptography techniques

### "ARTIFICIAL INTELLIGENCE "

this workshop was held in the GRIT college. By this workshop we understood that why now a days AI is treading

## CERTIFICATES

Udemy Certificate in Basic of Python developer course (09/2021 - 09/2021)

Internship Certificate on successfull completion of Cloud Computing project (11/2021 - 01/2021)

## LANGUAGES

English

Full Professional Proficiency

Hindi

Professional Working Proficiency

Telugu

Native or Bilingual Proficiency

## STRENGTHS

Leadership

Flexibility and Adaptability

Self motivated
